**JORDAN JOINS TESTING ENGINEERS & CONSULTANTS, INC.**

*Troy, Michigan* – Michael K. Jordan, CP, has joined TEC's staff as Manager of Environmental Assessment. Mr. Jordan has over 20 years experience in managing environmental projects along with holding a variety of operation roles including project manager, corporate business development manager and quality assurance officer.

His expertise includes environmental due diligence, underground storage tank (UST) management, brownfield redevelopment and hazardous materials management. Jordan holds a Master of Science in Geology from West Virginia University and a Bachelor of Science in Earth Science from Pennsylvania State University. He is a State of Michigan Qualified UST Professional and licensed real estate professional. He is a past Treasurer of the Michigan Association of Environmental Professionals and has earned numerous quality improvement awards.

TEC provides client support from property acquisition through construction, renovation and restoration. Expertise includes environmental and geotechnical engineering and consulting as well as facilities engineering, construction materials testing, indoor air quality and asbestos, lead and mold management services. Founded in 1966, TEC has offices in Troy, Ann Arbor and Detroit.
